Fire Departments Will Combine For Programs

'Fire Service Day' Will Be Observed; Public Invited

Fire Service Day will be observed Saturday by the combined forces of the Lemon Grove and the Spring Valley Fire Departments, it was announced by S.V. Chief Frank Berger.

He said the two departments will hold an "Open House" celebration Saturday from 9 a.m. till noon. In the afternoon, starting at 1:30, a full-dress show will be staged for the public on the parking lot in front of Mt. Miguel high school.

Lemon Grove Chief Harold Hensley said the two fire departments will parade seven vehicles and 5 men will participate in the exercises. Mt. Miguel's Prep Band will supply music between demonstrations.

Some of the demonstrations will include such technically described exercises as "closed lines" and "hose evolution" exhibits. In lay language it means the firemen are going to stretch lines of the proper size, at the proper places and at the proper times so that other firemen may hook them up without delay.

The program will be concluded with a water polo contest with firemen using fully charged lines to roll a barrel between the teams.

"Somebody will get wet," Chief Berger said.

The Lemon Grove Department is located at 7853 Central ave. In Spring Valley stations are at 10102 Ramona dr. and 8853 Troy st.

All persons interested in their fire department are urged to attend either or all events.

Research Group To Discuss Local Government

The Public Affairs Research Institute of San Diego State College will discuss "the future course of government and governmental services in Lemon Grove" at some early meeting of the Lemon Grove Men's Club.

William F. Davies, president of the club, made the announcement Friday.

He said that the institute will base part of its discussion on a November, 1957, local government survey made by the Los Angeles Bureau of Municipal Research.

The college institute in 1958 made a governmental services report for the Spring Valley Chamber of Commerce in which it outlined four major possibilities. 1) County Service Area, 2) Annexation to La Mesa, 3) Annexation to San Diego, or 4) Incorporation as a city.

Other alternatives surveyed include 1) Remain as is, 2) Establish special districts for each service required, 3) Form a community services district, 4) Incorporate as a city and contract for services — as Del Mar has done.

Davies said that the State College institute probably will spread its discussion over at least two weeks.

The Los Angeles research bureau, in its 1957 report to the Lemon Grove Chamber of Commerce, stated:

"From the facts gathered and the studies made . . . our conclusion is that the best form of local government for Lemon Grove would be that of an incorporated city of the sixth class."

Taxpayers Group To Hear Principal Robert Sutton

The Lemon Grove Taxpayers Association will meet Monday at 7:30 at the Lemon Grove junior high school.

Robert Sutton, principal of the Lemon Grove junior high school, will be speaker. He will discuss the Conant Junior High School Report. This report follows by two years the one made on high schools of the nation.

Tom Welbaum Honored by High School PTA

Tom Welbaum, boy's physical education instructor at Mt. Miguel High School, this week was awarded a life membership in the PTA.

The award, made for "his outstanding service to youth, above and beyond his job as coach," was delayed three monthes because he has been in the hospital since early February.

And the award was considered by some PTA members to be a slap at the school administration, which they said "has treated Mr. Welbaum badly."

Welbaum resigned in November as athletic director at the high school in a squabble over what he termed "de-emphasis on sports" at the school. He asked reassignment to a non-athletic position. Since then he has been head of the physical education department but has spent three of the ensuing five months in the hospital, where he underwent surgery for a knee ailment.

The coach, when he resigned in November, charged that the school district is de-emphasizing sports, that players do not have the proper equipment, and that coaches receive no pay for coaching duties after 3 p.m.

Lewis F. Smith, a former athlete who is now superintendent of the high school district, said that there was no such de-emphasis as charged by Welbaum, but that there was instead "a seeking after a balance between the educational and athletic programs in the schools."

Welbaum received a standing ovation when Ed Loop, chairman of the PTA life membership committee, announced that the coach had been named for the award this year.

Dinner Planned For Hegland

A non-partisan, hometown campaign kick-off dinner for Assemblyman Sheridan Hegland will be held at Lawton's Restaurant in La Mesa Wednesday evening, May 11, at 6:30 p.m., according to Gilbert Harelson, dinner chairman.

"Since dining facilities are limited, reservations will be necessary," Harelson said.

Attendance is restricted to those in the La Mesa - Lemon Grove-Helix area.

Land Division Control Sparks Bitter Hassle At Board Hearing

SAN DIEGO (CNS) — Action on a proposed ordinance to control land divisions in county areas was put off for at least seven weeks by the County Board of Supervisors on Monday, to give opponents of the measure a chance to present an alternative proposal.

Speakers at the hearing included people from Spring Valley and Lemon Grove.

A five-hour hearing on the suggested law was held by Supervisors. It was a session marked by bitter exchanges, and at one time Board Chairman Frank Gibson called a five-minute recess to give aroused tempers a chance to cool off.

The hearing was called to give those opposed to the ordinance a chance to state their views. Most of Monday's protest came from members of the real estate business.

The ordinance being considered was prepared by a committee of private individuals, after 10 months of study, but those in protest alleged that the real estate members of the commitee did not represent the views of the majority of those in the business and that the Farm Bureau representatives did not speak for the majority of that group's membership.

In the long session, divided into a two-hour morning meeting and a three-hour afternoon period, views expressed on the proposed law ranged all the way from not having any county controls on land divisions to reinstating the section 548 of the zoning ordinance which was repealed a year ago. It was the repeal of this law, which made filing a subdivision map necessary for division of land in zoned areas, that brought about formation of the committee that submitted the ordinance under consideration.

The requests for giving up any plans for a land division law came from persons who said either that such a law would restrict personal freedom, or from others who said the state law and the county sanitation and zoning ordinances, if enforced, would make added legislation unnecessary.

Mrs. A. T. Knight, Spring Valley, spoke in favor of the ordinance. She said she would much rather trust the planning department to control development than leave it up to the real estate business.

Mrs. Earl L. Crowley Jr., Spring Valley, agreed. It was she who suggested the planning director's job be made elective.

C. L. Milne, Spring Valley, spoke against the ordinance as did Hal Whelply, El Cajon.

Whelply, a real estate man, said "I protest every bit of this ordinance." He called it "morally wrong," and expressed the view that "We don't have any problem" that the ordinance is

The DIMMER VIEW

by MAX GOODWIN

People in business, and in particular, employers, all of whom have just struggled through another tax-quarter crisis, seem aroused more than ever over the tax burden which has become so oppressive that to many it will be fatal.

The complaint is so general that we feel the nation is nearing the fringes of a tax revolution.

On one day last week three un-connected business people, apparently successful, showed us evidence of financial bankruptcy, using their tax bills to illustrate their plight.

One person, especially literate, launched into the proposed Forand Bill as being the straw that would indeed break the camel's back. The Forand Bill would raise one billion dollars by raising social security taxes one-half of one percent. The funds would be used to give medical care to the aged. His argument was not one of responsibility, but simply one of taxes and bankruptcy.

Many of us feel that federal aid for health aid for our aged is transferring family responsibility for our loved ones to socialistic-like government bureau. But on a tax basis alone, it has become obvious that as more taxes are added, government income will decrease as more and more businesses become delinquent in their tax payments.

Most studies show that business income is leveling off. There is no widespread recession nor unemployment, but the tempo of business and employment is not so high as it has been. This permits the expense end of business to catch up with the income, and, let's face it, there are few business men who would settle for their tax burden as net income. Unquestionably, added taxes will come to mean fewer schools, and fewer roads as priority is given our tax funds.

The Forand Bill, the scheduled increase in social security and other taxes, is not so much an agrument in humanics as it is an issue of costs.

If the issue was being offered as a choice of whether we want to renounce our individual respsonsibility to our aged par-

13 Road Projects In County Budget

Road Chief Slates $183,000 For Lemon Grove

Budget Discussions To Start Monday At Civic Center

SAN DIEGO (CNS)—The county plans to spend nearly $183,000 on road improvement projects in the Lemon Grove area during the coming fiscal year, according to the preliminary 1960-61 budget of the County Road Department.

David K. Speer, road commissioner and county surveyor, has told Supervsiors that the county is expected to have $5,159,100 next year for use by the road department.

This amount will be principally from the highway users tax, which is expected to be $4,175,000, an increase of 8.5 per cent over the current year, and fines and forfeitures, to be $520,000, up 15.6 per cent.

Of next year's receipts, $4,604,450 is to be spent on road, bridges and culvert projects, the budget shows. Right of way purchases will take another $42,500.

Preliminary discussion of department budgets will begin Monday and continue for a week or ten days. Final budget session will be held in June at which time the road department budget will be established.

Lemon Grove area projects now in the budget are:

SKYLINE DRIVE—from the city limits of San Diego, north to the intersection with Canton drive. The work is to consist of reconstruction of the road to widen it as a major arterial road. The project is to cost $50,780, including $2,820 for preliminary engineering, $8,000 for right of way purchases, $37,575 for construction costs and $2,385 for construction engineering.

'Make 'em Pay,' Says School Vice Principal

SAN DIEGO (CNS)—Approval of the action taken by the Board of Supervisors two weeks ago in connection with charging juveniles for time spent in Juvenile Hall has been voiced by the vice principal of Grossmont High School.

John A. Burdick told the Board that he felt the charge would be an additional incentive for students to stay out of trouble.

He also termed the Board's action a "sound fiscal move," and a "deterrent on parents who are only too quick to let someone else pick up, manage and care for their children."

The Board voted to charge Juvenile Hall boys $12.42 per day and girls at the Hillcrest Receiving Home at the rate of $12.37 per day.

At the time the issue was before the Board, Supervisor Bird asked, "Isn't this a move to make parents responsible?" The Board indicated that it was and voted for the new rates.

Can't Use Funds To Pay Damages, Counsel Rules

SAN DIEGO (CNS)—Lemon Grove Sanitation District funds may not be used to pay for damages incurred by building of a sewer line, the Board of Supervisors was told last week.

The issue was brought before the Board by Harold B. and Jean F. Warren. The opinion was rendered by the office of the County Counsel.

The counsel's opinion stated that the only damage inflicted on the Warren's property was that caused by the negligence of Carroll and Meyer, independent contractors who built the sewer line.

Grass Roots Essential, Town Council Man Says

"A grass roots effort is vital in any town council," Bailey Gallison, executive manager of the La Jolla Town Council told the Lemon Grove Men's Club at its Friday meeting.

Gallison was accompanied to Lemon Grove by Arthur W. Pierce, La Jolla merchant, and they explained the organizing and functions of the council.

The La Jollans said that their council was formed by consolidating 37 different organizations—all of which had purported to represent the people of the community. Now, they said, all these groups are represented as committees on the council and when a decision is reached, that decision "truly represents the wishes of the community.

Merchants, professional people and residents belong to the council as individuals, Gallison said. Membership fees range from $5 for a resident to $300 for the largest businesses, he said. The combination of nearly 2,000 various memberships brings in $26,000 a year for operating the council, which has an office, a paid manager and a paid secretary.

The council functions as a chamber of commerce as well as a "lobby," Gallison said. As a "lobby" it works to get for La Jolla those things that the community wants from the San Diego city, county, state or federal level, he said.

The La Jollan commented that COMMUNITY is the key word in their operation.

"We fight all the battles right in our own community," he said, "and then when we have settled the matter for the best interests of the community, we present a united front in telling other people what we want."

He said that any area of a city or county could set up a similar council "and be much better prepared to see that the area accomplished the things that will make it a better community."

The Casa de Oro PTA is sponsoring a rabies clinic at the Casa de Oro elementary school from 1 to 3 p.m. May 14. Dr. Sherman also will supervise this clinic.

Land Sale Okayed In Lemon Grove

SAN DIEGO (CNS)—Authorization to sell a parcel of land in Lemon Grove which has been found unnecessary for the widening of Imperial Avenue, has been approved by the Board of Supervisors.

The land lies south of Montana, between Imperial and Citronella.

The Board was told that the county has been offered $7,300 for the land parcel and instructed the county counsel to prepare a resolution of intention to sell the property with minimum price set at $7,300.

Once Over Lightly

by Don Wilson

It has been a pretty exciting fortnight for Katy.

First, she finally reached the age of 10—an age to which she has been aspiring for 10 years.

And as the fateful day approached, I was reminded by Paula that she had told Katy several years ago that she could go dancing with her father on her 10th birthday.

Katy came home from school that day wearing a gay yellow orchid corsage which some secret admirer had had the local florist deliver to her. It looked beautiful on the gay yellow dress that her grandmother had sent her for Easter. And there was a tiny little yellow butterfly perched on the corsage.

The sparkle in Kathys eye didn't harm the general appearance of things either.

And that night I put on my clean shirt and my best tie. Katy wore the gay yellow dress with the gay yellow orchid corsage with the tiny yellow butterfly perched on it. And she wore the sparkle too.

We got into the car (with Katy waiting gracefully while I gallantly handed her into the seat) and we drove down to Michael's cafe.

When we walked in the door, the hostess came up to us.

"What a beautiful dress," she said, "and what a beautiful corsage."

"We're celebrating a birthday," I said.

So the lady showed us to a little table at the edge of the dance floor, right next to the decorative plants where Katy's gay yellow dress looked best against the greenery. And the lady asked Katy her name and how old she was.

We spent quite a while studying the menu and finally settled on a steak dinner.

While we were eating, the orchestra came in (well, actually it was a four-pice combo of drums, guitar, accordion and horn) and started playing.

Suddenly, the leader announced "that beautiful young lady over there is Katy Wilson and she's celebrating her 10th birthday." And everybody started singing "Happy Birthday to You."

Then the leader asked Katy to come up and tell him her favorite song so they could play it for her.

And it turned out that the only song she could think of under such pressure was "Mac the Knife," so they played and sang it for her, then threw in "Coming Through the Rye" just for good measure.

A while later they played some good junior-size music and Katy and I danced. We were pretty good, I guess, because people applauded when we finished—and a lady congratulated Katy on her beautiful dress.

A few days later, Katy entered a collection of dolls and paintings and knick knacks and photographs and such in a hobby show at the school for Public Schools week.

And she won a blue ribbon for first place, and a purple ribbon for first place too. And people took her picture with her exhibits.

All in all, it was a pretty wonderful few days for a pretty wonderful little girl.

And after it was all over, I asked: "Well, now that you have achieved all this success, what's your ambition?"

Katy thought a moment and said:

"Now I'd like to be 11 years old."

We think of white flies particularly in relation to certain plants.

Among vegetables, string beans seem to be constantly tormented. And in the flower world, fuchsias are frequent prey. But when white flies are on the wing in your garden, they seem to be everywhere and their mere presence becomes a nuisance.

I have never found anything more effective against them than a light oil emulsion containing nicotine which adheres to the plant without leaving any unsightly residue . . . the same material I recommend for spraying your camellias.

But spraying at the right time is important. If you spray for them while they are still sleepily colonized on the under sides of the leaves of plants, you will be successful in killing them, so this is one job you should do early. If you wait until they are flying about in your garden, it is almost impossible to contact them with any spray material.

Concert Choir To Present Mozart's Mass

The 83 voices of the Mount Miguel High School Concert Choir will present the "Requiem Mass' by Mozart this Sunday at 3 p.m.

The performance will be given in the sancturary of the newly-constructed Jesus Christ of Latter-Day Saints Church, 8472 Blossom Lane, Spring Valley. The church is located immediately north of the Mount Miguel High School student parking lot.

The soloists will be Judy Taylor, Judy Koopmans, Sharon Lane, Pat O'Gara, Mike Asher, Bruce Edenfield, Bob Whitaker and Duane Bennett. The orchestra will consist of members of the San Diego State College orchestra. The public is invited.

Robert Boucher, director of vocal music at Mount Miguel high school, said this week that the Concert Chair received 49 "superior" ratings out of the total 57 ratings given them at the Southern California Vocal Association Choral Festival at Long Beach on Friday, April 29. The two adjudicators, Frank Poole from Long Beach State College and Miss Jane Skinner from the University of Southern California, gave strong comments praising the fine singing of the choir.

The Mail Box

Dear Editor,

We are much concerned over Russia hitting the moon, and rightly so. If they can hit the moon, they can hit New York or Los Angeles.

Why are they so far ahead with their missile program? One reason is that they emphasize science in their shcools, while we spend fabulous sums teaching four or five languages out of the 2,700 languages of the world. At a fraction of that cost we could have a universal language in a very few years and none of these four or five will ever become universal.

Russia formerly suppressed Esperanto, hoping to make Russian the universal language, but apparently decided that a universal language now would be a big help to them in the world trade war that faces us, relaxed their restrictions and now there are about 1,000 Esperantists in the Russian city of Gorky alone. Russia knows the value of a universal language and works to acquire it—while we dawdle. If all the world but us acquire a common language, we would be at a tremendous handicap.

We have always considered Russia a backward nation, but we'd better wake up or we may get some rude surprizes.

Anyone wanting more information about the universal language may ask their library or write us for some free material.

Blast Hurts Worker In Spring Valley

A construction worker was reported in good condition Wednesday at Grossmont hospital after suffering a blasting accident injury last week in Spring Valley.

The worker, Lyle Katzenberger, 43, operator of Katzie's Gradall Service, was seriously hurt by a large rock, hurled by a charge of dynamite in a lot-leveling project on a hillside near Sweetwater Reservoir, just off the intersection of Sweetwater and Jamacha rds.

The rock was hurled 150 feet and injured Katzenberger in the groin and leg.

Spokesman for the M. S. Tinkham Construction Co., the firm doing the blasting, said the injured man was asked to move because blasting operations were about to begin. He moved about 150 feet and mounted the rear of a trenching machine. A rock about the size of a basketball was blasted against the trencher. It hit several upright levers and forced them into Katzenberger's body. Another rock dented the hood of a nearby truck.

Katzenberger lives at 3433 University ave.

cuts, hue and cry would go up against it.

But it is not. It is offered as an expense on the heavily burdened business man, many of whom can stand no more. The argument that he who is in business should be able to withstand the cost of many of the social advantages is not a valid one. If business collapses, as it did during The Depression, all social advantages go. Thus, free and unfettered enterprise is the true hope of social advantages.

All of us will participate in the celebration of Mother's Day Sunday yet few know the history and background of this grand event.

Each of us was born of woman which means the celebration cuts through all lines of religion, race and creed to become the most universal of all celebrated events.

Mother's Day in the western world goes back many centuries. The ancient Greeks worshipped Cybele, the mother of the gods. This annual tribute was held on the Ides of March and probably was the basis for later celebrations, although the Greeks did not refer to it as Mother's Day.

The custom was later introduced to Rome about 250 B.C. At that time the festival of Hilaria in honor of Cybele was a three day festival. To lure converts, early Christian missionaries distributed "waffres" at these festivals. They were hot, crisp, grid-stamped cakes. They're better known today as waffles.

In medieval Europe mothers were honored on "The Virgin's Day," dedicated to the mother of Christ. On Mid-lent Sunday — the fourth Sunday before Easter — presents were brought to Mary's shrines and living mothers were similarly remembered.

Sixteenth Century England marked Mid-Lent Sunday as "Mothering Sunday" on which day adult children visited mother and brought trinkets and cakes.

Mother's traditional gift became a simnel—a rich plum pudding enclosed in a very hard crust. In parts of England this tradition still remains.

The Taj Mahal of India, the world's most beautiful building, is a monument to a mother. Shah Jehan built it in memory of Mumtaz Mahal, his favorite wife and mother of his sons.

The famous American statue "The Pioneer Woman" honors the valiant mothers who carried civilization westward through hostile Indian territory, but it was women who furthered Mother's Day in America . . . but it wasn't easy.

Miss Mary Towles Sassees, a Henderson, Kentucky, schoolteacher, began holding annual exercises to honor mothers in 1887. It was adopted by the schools of Springfield, Ohio, in 1890 but it got no further.

Miss Anna M. Jarvis, who never herself became a mother, founded our present Mother's Day in 1907 when she arranged a memorial service for her own mother in Andrews Methodist church in Grafton, W. Va. She then conducted a spirited campaign for nationwide observance.

In 1914, President Wilson signed a Congressional Resolution setting aside the second Sunday in May as Mother's Day and authorized Federal display of the flag.

The custom of annually expressing affection for mother with thoughtful gifts and warmly sentimental greeting cards spread steadily from that day forward until today it is marked throughout the world at one date or another.

Although Mother's Day became official in the U.S. in 1914, the popular practice of sending greeting cards started two years earlier and most of them carried a reproduction of the portrait of Whistler's mother.

An example of the sentiment mother may receive this year is from a card published by Rust Craft. It reads:

To Mother With Love From The Whole Family
To hope life is always
Especially good
To a Mother who's always
Done more than she should—
A Mother whose family
Adores her - - with cause
The best kind of Mother
That there ever was!
Happy Mother's Day!

required to solve.

Another speaker was Jackson Ammons of Lemon Grove, who said the group present represented the real estate business. This was objected to by others in the audience, who said they weren't real estate people.

The board adjourned at a little after 5 p.m., to consider the ordinance again when the opponents present an alternative plan. However, it was indicated that if no plan is forthcoming, action will be taken.

The seven weeks date for a report was set so the Board could squeeze the matter in between preliminary and final budget hearings. There will be no hearing called, unless the opponents present a plan.

The Monday session was not a required public hearing. It was just set to provide an opportunity for opposition to be heard.

GIANT SIGNS

Giant Don Diegos will be spotted throughout the grounds at the San Diego County Fair at Del Mar June 24 through July 4. These giant Dons will act as directional signs for the thousands of visitors expected to attend the fair.

LET US ALL PRAY TOGETHER AS A FAMILY

Christ kindles within us a yearning to be more than "one of the crowd." The approval of Godis more rewarding that the approval of the crowd. As Joan of Arc says in Geo. Bernard Shaw's play, "My loneliness shall be my strength; it is better to be alone with God than loved by a multitude without Him. In his strength I will dare and dare and dare until I die."

Casa de Oro Baptist

The Mother-Daughter banquet at the Casa de Oro Baptist Church Friday evening was attended by 125 mothers and girls. The theme, "God's Melody of Love," depicted the seven steps of womanhood, from baby to grandmother. Decorations for the banquet were long, black and gold musical notes, and painting of musical instruments. The mothers and daughters sat at beautifully decorated tables during the program. The men of the church served refreshments at the close of the evening.

Miss Helen Gorges, who has been serving as Christian Education advisor at the Zama military base in Japan, arrived in Spring Valley Saturday, and will be a guest of Rev. and Mrs. Ernest Anderson for a few days. Sunday evening she spoke and showed pictures of the work in Japan. Miss Gorges has had the privilege of visiting all the Baptist General Conference missionaries in Japan, while stationed there.

The Senior Youth of the church will have a scavenger hunt party Friday night, meeting at the church at 6:30 p.m. for instructions. The party will conclude at the Max Anderson home for games, fellowship, refreshments, and devotions.

Three mothers will be recognized and presented with gifts, in observance of Mother's Day, at the Sunday evening services. At the end of the services the annual welcome reception for new members will be held, with greetings from the various departments.

Trinity Presbyterian

National Family Week will be observed at Trinity Presbyterian Church on Mother's Day Sunday, May 8. Trinity families will participate in 9 and 10:30 a.m. worship services.

At 3 Sunday afternoon the Rev. Keith A. Mitchell will be meeting with those interested in membership for the first of a series of seminars which will include discussion on basic Christian beliefs as well as those which are distinctively Presbyterian. These seminars will continue through the month of May.

Many opportunities are available for members and friends of Trinity for Bible study. There is a Men's Bible study group at 7:15 every Saturday morning, Clipper Couples Club Bible Study is every first Monday of the month and six Circle groups meet at various times the last week of every month. An Intercessory Prayer Group meets every Thursday at 9:30 a.m.

The Mariners Couples Club will meet Friday May 13 at 6:30 p.m. for a potluck dinner. Rev. Gerald Lynn of the Pacific Beach Presbyterian Church will show films on the Holy Land.

A Youth Banquet honoring graduates will be held Saturday May 14.

Lemon Grove Lutheran

Lemon Grove Lutheran Church will conduct a family bible study series beginning next Sunday evening at 7. In the family bible studies, families function as cell-groups. Each family, parents and children, studies the lesson sheet and then under the pastor's guidance each family reports its findings. The series will continue through Wednesday evening.

The Sunday School of Lemon Grove Lutheran Church will honor the young folks who have been members of the High School Bible Department with a "Recognition Dinner" on Sunday evening, May 15, at 6:30.

CHURCH WOMEN — It's just a rehearsal, but it points up the interest that the Homeland Council of United Church Women will display display this year, according to Mrs. Russel Ray, president. The council will celebrate May Fellowship Day this Friday at a meeting slated for 1 p.m. at St. Philip's Episcopal Church, Palm at Hardy, Lemon Grove. Church Women See Voting As Responsibility Here

Voting and the issues of free and responsible citizenship will occupy the attention of women from most of the churches in the Lemon Grove and Spring Valley areas this Friday at 1 p.m. at St. Philip's Episcopal Church. The occasion is the annual May Fellowship Day sponsored by the Homeland Council of United Church Women. The meeting is planned with special attention being given to the place of responsible Christian women in the forthcoming national elections.

"Cross Or Chaos?" is the theme of an address to be given by the Rev. Charles Clark, minister of the Santee Methodist Church. Last summer, Mr. Clark led a youth work team which operated in the Belgian Congo. There, he had a first-hand opportunity of seeing something of the importance of free and responsible Christian citizenship in the area of the world now in nationalistic ferment.

Women participating in Friday's program include: Mrs. R. N. Grout, St. Philip's Episcopal Church; Mrs. A. C. Riggs, Friends Community Church, Spring Valley; Mrs. R. H. Whitmus and Mrs. O. C. Phelps, First Baptist Church, Spring Valley; Mrs. Glenn Reynolds and Mrs. Blaine Rusk, Lemon Grove Methodist Church; and Mrs. D. S. Ellis, Lemon Grove Lutheran Church. Mrs. Allen Westphalen of the Evangelical United Brethern Church will sing: "He's Got the Whole World In His Hands."

Refreshments will be served following the program. The church is located at Palm and Hardy Streets. The hour is 1 to 2 p.m. Friday. Child care will be provided. All women of the community are invited.

Lemon Grove Methodist

The annual Mother-Daughter banquet for the Lemon Grove Methodist Church will be held this Saturday at 6:30 p.m. at the church, 3205 Washington. "May Capers" will be the banquet theme and the evening will feature the program "Fashions From the Past."

Women and girls from the church will model the fashions worn during the 1800's and the early 1900's. Costumes will be furnished by Goodwill Industries from their widely-known collection of period dress. Accompaying dialogue and music will highlight the program.

The Methodist Men's Club will prepare the dinner for the women and girls. Tickets are available at $1.35 for adults and 75 cents for children. Reservations may be made by calling the church office, HO 6-8065, or Mrs. Margaret Donahue, HO 3-1790. "Daughters" may be "adopted" for the evening by those who have no daughters to bring simply by calling the church office.

Full Gospel Church

The Full Gospel Church (Assemblies of God), meeting in the garage of the home at 3637 S. Cordoba, in Casa de Oro, will hold services Sunday at 7.30 p.m. Guest speaker will be Zelmar T. Bolin of Imperial Beach. Special songs will be presented by Rev. and Mrs. Bolin's twin daughters; Pauline and Geraldine.

The church has two pastors, Rev. and Mrs. Alby Sherrill.

Foothills Methodist

A debate on "Capital Punishment" will be held in the Foothills Methodist Church, at 8 p.m., May 12. Debating will be San Diego County District Attorney Don Keller and William Johnson, a psychiatric social worker of the Child's Welfare Project committee of Community Welfare Council. Rev. James King, pastor of Foothills Methodist Church, will act as moderator. The debate will be open to the public at no charge. Refreshments will be served.

SV First Baptist

"A Salute to Mothers" will be Rev. Roland Taylor's subject at the Sunday (Mother's Day) 8 and 11 a.m. services at the First Baptist Church of Spring Valley. A corsage will be presented to the oldest mother present, the youngest mother, and the mother having the largest family with her at the services.

The Chapel choir, directed by Bob Whitaker, will sing at the 8 a.m. services; and the Chancel choir, directed by Jack Thomas, will be singing at the 11 a.m. services. Parents having small children are invited to leave them in the church nursery during the services.

Sunday school for all ages convenes at 9:30 a.m. and the Baptist Youth Fellowship groups gather at 6.30 p.m. Charles Gross is Sunday School superintendent and Larry Lipska, president of the B.Y.F.

The Womens Missionary Society will meet Tuesday at 7:30 p.m. in the church. The Wednesday evening prayer and Bible study hour is at 7 o'clock, with the pastor continuing a series of studies in the Book of Genesis. Mimeographed outlines of the lessons are provided during the study period.

In keeping with National Family Week a family church night is scheduled for Friday at 7 p.m. There are to be humorous and serious skits presented by families of the church. Everyone is welcome, says Rev. Taylor.

The Men's Fellowship will hold a Mother's Day joint meeting Saturday at 6:30 p.m., taking the ladies to dinner at the Lafayette Hotel.

Christian Science

"Watch and pray, that ye enter not into temptation." These words declared by Jesus and recorded in Matthew (26:41) are the Golden Text of the Lesson-Sermon on "Adam and Fallen Man" in all Christian Science churches this Sunday.

Ability to resist and overcome temptation is available to all mankind today. Bible selections include the stirring account from Matthew (4:1-11) of how Jesus met and mastered tempation. His final triumph was expressed in this denunciation of evil. "Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve." The account closes, "Then the devil leaveth him, and behold, angels came and ministered unto him."

☆The end of the world will catch most of the big executives behind with their work.

Helix Highlanders Hit Twice for Twin Triumph

The Helix Highlanders won two out of two outings in last week's Metro League action with a 9-4 victory over the Escondido Cougars on the Scots' field Tuesday, and then moved over to play previously undefeated (in league games) first place El Capitan, and romped over the Vaqueros, 14-6 to hold onto second place in the loop standings.

Helix held the Cougars scoreless until the fourth inning while building up a good 7-0 lead, before the Escondido crew scored once in the fourth and fifth frames and twice in the seventh trying to catch the Scots.

One run in the fifth and one more in the sixth was enough for the Highlanders to clinch the victory.

In Friday's meeting with the Vaqueros, the Highlanders scored their tallies in bunches while stymying the first year Vaqueros.

Coach Bill White's winning team scored 4 runs in the second inning and went into a 4-1 lead, but El Cap bailed back with 4 runs also, to move out in front 5-4. The Highlanders scored 4 more in the fourth and led 8-5, but the Vaqueros scored one more in the fourth giving Helix a two run, 8-6 margin. Four runs crossed the plate in the Helix half of the fifth frame and the Scots held a comfortable 12-6 lead. Two runs in the seventh stanza clinched the game for the visitors.

Ray Koenig and Randy Swartz each blasted a home run to pace the Helix hitting attack against the always tough Vaqueros.

Chamber Contest To Raise $4,500 For Budget Items

The Lemon Grove chamber of commerce embarked upon its annual fund-raising project this week . . . that of raising funds to meet its budget for the remainder of 1960.

The project is a contest with a three-day trip to Las Vegas by Western Air Lines as a prize. The contest winner will stay at Hotel Sahara for the three days.

President Larry Folda said the chamber would need $4,500 to meet its 1960 budget obligations. Part of this is the result of a debt of $400 for petition signing activities by the Broadway Improvement Committee of the chamber. Another $900 goes to the contractor who holds a three-year contract for stringing Christmas decorations along Broadway. Folda said that the decoration this year would be on a cash basis if there are decorations this year.

To raise the funds each member is being asked to subscribe to a book of contest blanks, according to Bob Vaught, finance chairman.

Each of the members of the finance committee will solicit a list of members for cooperation in the project, he said.

Contest winner will be announced July 2.

He announced this week that he had purchased El Morocco Restaurant at 8015 Broadway from Mike Mouzas.

El Morocco was opened ten months ago by "Big Mike" Mouzas after a score of years of successful restaurant operation elsewhere in San Diego county. Mouzas gave poor health as the reason for selling.

Goldy opened Michael's in Lemon Grove seven years ago and sold it to Joe Pepitto a little more than a year ago. Pepitto remodeled and added nightly entertainment.

Goldy said the cafe would be called Goldy's El Morocco when he takes it over about June 1. The cafe will also be headquarters for Alladin Catering Co. Inc., of which Goldy is principal stockholder and president.

Candidate Keebler Sentenced in City For Drunk Driving

Loman A. (Al) Keebler, 42, of 7166 Hybeth, Vista La Mesa, was sentenced Wednesday morning in San Diego municipal court after conviction on a charge of drunken driving.

He was fined $250 of which $100 was suspended for one year by Judge R. O. Staniforth, Dept. 15.

Judge Staniforth permitted Keebler to keep his driver's license because the man needs it for his livelihood.

"It is not an aggravated case," the judge said.

Keebler, a salesman for a dairy products firm, is a candidate for the Second District seat on the county board of supervisors now held by David E. Bird, who is running for re-election. Bird has held the post since 1940.

San Diego municipal court records show that Keebler was found guilty last Wednesday of the drunken driving charge, lodged against him by city police who arrested him Feb. 13 after seeing him driving the wrong way on a one-way street at Fifth avenue and Laurel street. He was freed on his own recognizance prior to the sentencing.
